

# OUR REOPENING HEALTH AND SAFETY PROTOCOLS

Over and above the strict Hygiene and Health and Safety standards we have always adhered to, we are also implementing the following measures:

Full and thorough training of all employees on essential hygiene, physical distancing and appropriate risks associated with operating in a Covid-safe workplace.

Mandatory daily staff Covid briefings and hand washing every thirty minutes

Conducting a health assessment including a temperature check for all employees prior to every service and isolating any staff members showing symptoms.

Our premises has been adapted to facilitate physical distancing for both staff and customers.

Ensuring that customer areas are cleaned thoroughly after each customer leaves prior to the next customer arriving.

Deep cleaning the premise after every evening.

We ask that you refrain from visiting our establishment if you are displaying and symptoms of COVID-19, we will be taking customer temperatures at point of entry and may be obliged to refuse entry.

We ask that you sanitise your hands when entering the premises using the facilities provided.

Please regularly wash and / or sanitise your hands throughout your visit.

We also collect customer data in line with government guidance for test and protect.
